2021 Camp Season

To: School Nurses or Social Workers

Re: 4-H Camp Bristol Hills Camperships Available for 2021

Dear Nurses/Social Workers:

4-H Camp Bristol Hills is looking forward to offering an exciting and educational summer program to youth for our 96<sup>th</sup> year. Our mission is to provide youth with a unique fun outdoor experience under the guidance of positive role models while emphasizing community building, positive social interactions, environmental awareness and skill building.

4-H Camp is requesting your assistance in identifying youth from financially limited families who could benefit from a summer youth camp experience. We receive campership funds that make it possible for children to attend camp who would not otherwise have the opportunity. The enclosed nomination form gives you the opportunity to recommend children to attend one of our programs. While you may not be able to answer all questions on the form, provide as much information as possible.

Items to take into consideration when selecting youth to nominate:

- The parents of selected youth will receive a camp brochure and cover letter explaining that their child has been selected to receive a campership. Parents are then asked to complete our application and return it with a \$50.00 deposit if they choose to accept the campership. The remaining fee will be covered by their child's campership.
- Parents will need to provide transportation to and from camp for their child.
- Campers need to provide their own personal belongings such as bedding (sleeping bag or sheets & blanket), clothing, etc. A list will be sent to parents with our confirmation letter.
- Campers are selected on the following criteria:
  - Do they want to attend camp?
  - Financial need
  - Perceived benefit from participating in camp
  - What other summer recreation opportunities do they have available?
  - Have they attended camp before?

If you submit more than one nomination, please rank them according to need. Be assured the applications you send will be given full consideration and be kept confidential. In 2019 we were able to provide over 120 camperships to local youth.

Groups also have the opportunity to select and sponsor a child's participation in 4-H Camp Bristol Hills. I would be pleased to provide a short presentation on our programs to any group interested in sponsoring a child. Tours of our facilities and programs can also be arranged during the spring.

4-H Camp Bristol Hills is owned and operated by Cornell Cooperative Extension of Ontario County. 4-H Camp Bristol Hills is available to all boys and girls ages 5-16 on a non-discriminatory basis, without regard of race, national origin, or membership in 4-H.

I hope that you will take a few minutes to complete the enclosed form to nominate a deserving child. We are asking completed forms be returned to us by Wednesday, March 31. Applications can be emailed or faxed to (585)394-0377. Please contact Ellen Rosenbarker, Camp Administrative Assistant/Registrar at [emm64@cornell.edu](mailto:emm64@cornell.edu) or 585-394-3977 x435 if you have any questions.

Sincerely,

James A. Hooper
