NEW BUSINESS

**Before the Town Board voted on Resolution #53-22 Councilman Keeney brought up a good point that the resolution is vague in stating that the representation is for those "Blue-Collar employees employed by the Town of Seneca" and wondered if this resolution included our Water Department. Supervisor Wickham explained that this does not include our Water Department and only includes the Highway Department. Supervisor Wickham had discussions with CSEA representatives, and all were aware, prior to this meeting, that the Water Department would not be involved in this. On record, Supervisor Wickham asked Deputy Highway Superintendent Kunes and Mr. Healy (CSEA Western Region President) if they were okay with amending the resolution to specifically state "Highway Employees," both agreed that it was okay to do so.

Councilman Orbaker asked if the Water Department could join individually at any time they wanted to or if they had to all join at once. Supervisor Wickham stated that they could join individually. Councilman Orbaker followed up with asking if new/future Highway employees would be forced into the Union upon Hire and Supervisor Wickham stated that they would not be forced.

Supervisor Wickham looked for a motion to approve the amendment made to Resolution #53-22. Councilman Keeney made the motion and Councilman Mosher seconded. Motion carried.
