

Town of Seneca Park Policy

Use of all Town facilities is strictly subject to compliance by permittees with all federal, state and local laws, regulations, rules and ordinances, including but not limited to those relating to public behavior: possession and consumption of alcoholic beverages; and motor vehicle operation. A copy of the Town of Seneca Park Rules and Regulations is available for review at the Seneca Town Hall. The Town of Seneca Code Enforcement Officer and authorized agents shall enforce park regulations, and revoke any permit and direct any person to leave any park premises.

In the event this application is submitted for permission to use Town of Seneca facilities for an organized sporting event (e.g. league softball), the applicant shall provide to the Town a certificate of liability insurance with the Town named as an additional insured or the applicant and each person participating in the organized sporting event must execute the Town of Seneca Hold Harmless Agreement. Each Hold Harmless Agreement shall be securely attached to this application at the time of submission, and only those individuals whose names appear on the attached Hold Harmless Agreement shall be allowed to participate in the organized sporting event.

Any person or group that violates any Park rule or policy may be subject to immediate removal, banned from future use of Park facilities, loss of deposit or subject to criminal charges. The Town (Town of Seneca) reserves the right to revoke any permit and refuse an individual or group use of Town facilities if it is deemed in the best interest of the Town.

Surveillance cameras are in use at all times within the Park.

Reservations for all Town Park facilities may be made at the Town Hall during regular business hours. The Park is a “Carry in – Carry out” facility. All patrons are responsible for cleaning up and “carrying out” their trash after using the Park.

Reservations for all park facilities are on a first come basis. Reservations will not be accepted before January 1 for the calendar year.
